

Utilities For Clayton County

Clayton County Water:

770-961-2130

Electricity:

Georgia Power 888-660-5890

Central Georgia 770-775-7857

Gas Service:

Atlanta Gas Light- 770-994-1946

GA Natural Gas - 877-850-6200

These are the numbers to the Utility companies to help ensure and easy transition for your move.

It is our goal to perform a walk thru of the property within in three days of move in. Please ensure that the property utilities are transferred in your name. This will allow for any maintenance issues or items that may require attention.

If any further assistance is needed with utilities you can contact our office at 770-506-3093.
